

# STUCON 2021

PARAMEDIC SOCIETY EVENTS

**Join us online! Host a local STUCON 2021 event.**

**Australasian College of Paramedicine Student Conference 2021**

**9am to 5pm AEST, Friday 30 July**

The College is inviting paramedic societies to host local STUCON 2021 events at their university campus with the free conference streaming package.

The aim is to include and provide networking opportunities to as many student paramedics across Australia and New Zealand as possible.

Please see overpage for full details.

 Australasian College of  
**Paramedicine**

## We provide the content, you provide the social!

Streaming packages will be offered free of charge to paramedic societies; however, you may wish to set a small ticket price for your attendees, to cover any running costs such as venue hire, catering etc.

### How to host a local paramedic society STUCON 2021 event

- Book a streaming package with the College (free of charge for paramedic societies).
- Book a room at your university and stream the sessions on a big screen.
- Book some catering (if you choose to).
- Determine a price per person to cover catering and/or venue costs.  
*To encourage participation, keep ticket price low. Non-members should be charged a higher fee.*
- Promote the conference and sell tickets.
- Enjoy watching the conference with your student colleagues.
- Manage attendance and send the attendance list to the College post-conference for CPD marking.

### Further information

- The streaming package will include:
  - access to the interactive live stream via a dedicated conference page
  - customisable conference flyers and posters for promotional purposes
  - support from College staff (advice on event requirements, set up etc)
- We are offering this content for paramedic societies to stream at no cost. You may have as many attendees as you like, provided that you comply with the local COVID-Safe rules at your event.
- For those affected by Covid lockdown restrictions, individual online tickets are available. Where possible, students are encouraged to attend their society event.
- For more information, please contact [education@paramedics.org](mailto:education@paramedics.org).

**Email [education@paramedics.org](mailto:education@paramedics.org) to book your package**
